INFORMATION AND POLICY HANDBOOK

Purpose

The purpose of HHSW is to provide Christ centered high quality, academically challenging, spiritually uplifting classes to supplement, support, and encourage, but not to replace, what is being taught at home. We are *not a school* and do not intend to be one. By *workshop* we mean “a brief, intensive educational program for a relatively small group of people in a given field that emphasizes participation in problem solving efforts.”

The workshops are a unique educational experience that combines a high level of commitment from parents, students, and teachers. It is a ministry that is highly committed to the support of home education, and it is intended only to aid and supplement what dedicated families are already pursuing at home.

The workshops are designed to meet the needs of families with children ages K-12. Preschool classes are offered strictly for those families with registered older siblings.

Spiritual Objective

The spiritual objective of Heritage Home School Workshops is to provide an academic environment that supports the Christian faith. HHSW instructors and board members must, therefore, understand the foundational function of the HHSW Statement of Faith and be in agreement with the Statement of Faith or the Nicene Creed. It is expected that at least one parent has a personal relationship with Jesus Christ.

How Does HHSW Operate?

The Board of Directors is made up of a group of men and women who are nominated and approved by the Board. The Board serves the Heritage Community in a variety of ways. The Board oversees the administration of the program, providing a place where independent contractors/teachers can conduct classes for the home school community. The Board determines policy regarding dress code and proper conduct and enforces these regulations.

Being rooted in the Christian faith and doctrine, resolution of any problems should be as described in Matthew 18. We are not a church. Matthew 18 is simply our guiding principle. If a parent has an issue with a teacher – the parent & teacher should try to work it out – if it cannot be resolved, the Board may be brought in AS A LAST RESORT. If one family has an issue with the conduct of another family, they should try to work it out and bring in the Board AS A LAST RESORT. If a child has a problem with other children, again, those children and families should try to work things out, and bring in the Board AS A LAST RESORT.

If a concern arises with the board, please email or write a letter to the board and your concern will be addressed. Contact us at www.heritagehomeschoolworkshops.com.

ADDING AND DROPPING CLASSES

How do I drop a class?

Fall classes and NEW classes added in the spring are eligible for a 3 week drop option. If you decide to drop a class, you must notify the teacher prior to the fourth week of class. You must pay for the classes that occurred prior to teacher notification. $(\text{Class Fee}/32) \times \# \text{ of classes prior to drop}$. If the teacher does not receive notification of the drop prior to the 4th class, the two semester tuition payments must be paid. Notify the teacher and make the changes to your family's schedule on the website if you decide to drop a class. If you choose to drop the class at semester let the teacher know that you will not be continuing by the last class in December.

How do I add a class?

You have the option to add a class to your schedule at any time with teacher approval. Notify the teacher and make the changes to your family's schedule on the website if you decide to add a class. If you are adding a class, after instruction has begun, you must also pay the deposit and class fees for the new class you are joining. You may add a new class at semester. The three week trial period will apply only to this new class added at second semester.

WHAT IS THE PARENTAL INVOLVEMENT AT HERITAGE?

HHSW is a cooperative effort on the part of parents, their children, and teachers. Parents are responsible for the following:

1. Parental Presence

- A parent from each family must be on the premises for the entire time that his/her child(ren) are in the building. Parent must sign-in upon arrival. If you are taking advantage of our “**kidshare**” program, you must fill out the proper paperwork at the board table upon arrival.

2. Supervision of Children

- If the parent is teaching a class, nursery will be provided for younger children. Children too old for the nursery may be in the care of another parent while the parent is teaching.
- If parents are going to participate in a Bible study or visit a class they must either place their child in someone else’s care or place their child in the nursery. Parents may not put their child in the nursery unless they are in class observing, serving as a volunteer, teaching, or willing to be in the nursery as well.

*** Parents need to be aware of where their children are at all times. Children need to know who is in charge of them if mom/dad is participating in “kidshare.”**

3. Parental Absence

- Parents are allowed to leave the property while their students are in class if they fill out the proper KIDSHARE form.
- If you are unable to come to Heritage but are sending your children with a responsible party (18 or older), or if you are going to leave the property for any reason you must ask another parent or responsible party to care for your children. Fill out the **KIDSHARE form** which is downloadable from the website or available at the board table prior to the absence (if possible). **We must have a valid parent signature on this document.**

4. Service Requirement

- Parents are required to complete service opportunities throughout the school year. Registration is not complete until you have signed up for a service opportunity. These opportunities will be assigned based on Heritage’s need and each family’s class schedule if you fail to choose an opportunity at registration. An \$8.00 non- service job fee will be charged to you when/if you are unable to fulfill your service job and cannot find a substitute to replace you. If you want to “opt out” of a service opportunity the fee is \$260 for the year.

HERITAGE HOME SCHOOL WORKSHOPS—DRESS CODE

- to ensure that everyone is dressed modestly, thereby protecting the purity of our brothers and sisters in Christ (I Timothy 2:9);

- to encourage the development of God-honoring relationships based on individual character instead of outward appearance (I Sam. 16:7; James 2:1-4).

THE SANCTITY OF GENDER

We believe God designed each sex, male and female, with intentionality. We believe that Christians are to follow gender expressions that align with their own genetic sex at birth and cultural norms that do not contradict Scriptural principles. (Gen 1:27; 5:2; 6:19; Mt 19:4)

THE SANCTITY OF MARRIAGE

We believe God's design for marriage is that one genetically born man would marry one genetically born woman for life until death parts them. We believe that God commands Christians to only marry Christians, for husbands to love their wives, and for wives to respect their husbands. (Gen.1:27; 2:18; Mt.19:4-6; 2 Cor. 6:14-15; Eph.5:21-33; Gal.3:28).

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. (Acts 3:19-21; Rom 10:9-10; 1 Cor 6:9-11).

We believe that every person must be afforded compassion, love, kindness, respect, and dignity (Mark 12:28-31; Luke 6:31). Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the doctrines of HHSW.

We believe that in order to preserve the function and integrity of HHSW as a Christ-centered organization, and to provide a biblical role model and environment to the HHSW members, it is imperative that all participants agree and abide by these statements on Marriage and Gender.

Members will use names/pronouns, proper attire and restrooms conforming to one's biological sex.

HHSW desires to come alongside parents to reinforce these Christian beliefs to our children.

We understand that students may or may not agree with and live out these beliefs. Students are expected to behave in accordance with these beliefs while at HHSW.

HHSW CODE OF CONDUCT

The purpose of this code of conduct is to promote behavior that honors the Lord. As a group of Christian families, our witness to others, both in word and action, is very important.

"It is by deeds that a lad distinguishes himself, if his conduct is pure and right." Prov. 20:11

"And whatever you do in word or deed, do all in the name of the Lord Jesus, giving thanks through Him to God the Father." Col. 3:17

Students

- All students will be held responsible for their actions and shall conduct themselves in keeping with their level of maturity, showing regard for established authority and the rights and welfare of others.
- We ask that students seek excellence, be honest, use clean speech, and be courteous and kind to all.
- Any defacing or graffiti on New Covenant Bible Church (NCBC) property is grounds for immediate dismissal.
- No skateboarding, longboarding, rollerblading, or snowball throwing is allowed on NCBC property.
- Any student found with possession of any type of weapon, firearm, tobacco, alcohol, or drugs will be expelled.
- Respectful language must be used at HHSW and all HHSW-sponsored events. Inappropriate language or behavior should be brought to the attention of one of the Board members or event chaperones immediately.

Dismissal

1. Habitual Misconduct

The purpose of the Board is not to police or baby-sit the children. Families whose children are habitually not in compliance with policies outlined in the Handbook will be asked to leave Heritage Home School Workshops. When a student receives a warning or written citation for misbehavior, the student and his/her parent will be notified. If there is a second infraction, then the student and the parents will meet with members of the board. If there is a third episode of misconduct, then this could be cause for dismissal.

2. Gross Misconduct

Greater misconduct, occurring at HHSW or elsewhere, could result in immediate and permanent dismissal of a student and his/her family from HHSW. Other misconduct includes, but is not limited to: use of tobacco products, illegal drugs, or alcohol and posting or sending unacceptable information over the Internet via any social media. The Board reserves the right to dismiss any student or family at any time to maintain high Biblical standards.

STATEMENT OF FAITH

Our statement of faith concerns the Person and Work of Jesus Christ as revealed in the Scriptures. There are many other truths taught in the Bible, over which godly men have differed in opinion and understanding. Therefore, this is not a statement of all that is important to believe, but it represents the basic principles upon which the HHSW was founded and will continue to operate (Romans 15:5-6).

1. We believe the Bible to be the infallible Word of God, the Supreme and Final Authority for all faith and life.
2. We believe there is one God, eternally existent in three persons: God the Father, God the Son, God the Holy Spirit.
3. We believe in the deity of our Lord and Savior Jesus Christ, His virgin birth, His sinless life, His miracles, His vicarious and atoning death through His shed blood, His bodily resurrection, His ascension, and His imminent bodily return in power and glory.
4. We believe that man was created in the image of God but fell into sin and is therefore lost, and only those that put their faith in Jesus Christ alone can be saved.
5. We believe that salvation is the gift of God brought to man by God's grace, and received by personal faith in the Lord Jesus Christ, whose substitutionary death on the cross provided forgiveness for man's sin.
6. We believe that the ministry of the Holy Spirit is to convict, indwell, guide, instruct, and empower the believer for godly living service.
7. We believe in the spiritual unity of believers through our common faith in Jesus Christ and that individual doctrinal differences which may exist should not hinder the unity of Christian home educators.
